Xtreme™ Outdoor Portrait Kiosk

WITH 47" OR 55" OPTICALLY BONDED
PEERLESS-AV® XTREME™ DISPLAY

Replace static signage with Peerless-AV's Xtreme™ Outdoor Portrait Kiosk. Take your digital signage to the extreme by seamlessly changing your content whenever, where ever. This fully-sealed weatherproof display has thermal management systems, an ambient lighting sensor that ensures your content is being displayed without any unwanted interruptions. The unit offers a low operating cost, a thin profile, a modular design, and an easy installation process. Displaying digital signage content has never been easier. Let Peerless-AV® help you get it right the first time around.

Additional Features

- ✓ IP68 rated display making it impossible for moisture or microscopic dust to collect and get inside the display, creating an outdoor display that can operate without fail under the harshest of conditions
- ✓ Up to 70% in electricity savings with the reduction of electricity needed to power thermal management systems within the kiosk
- ✓ Ambient light sensor automatically adjusts brightness to best match the lighting conditions, providing the best picture at all times
- ✓ Anti-reflective, impact-resistant safety glass protects the screen against damage
- ✓ No filters to buy and replace, and more reliable and quieter than traditional compressor thermal systems
- ✓ Stand-alone kiosk with display or fully integrated with media player, speakers, etc.
- ✓ Supports a wide range of aesthetic options including multiple colors, vinyl wraps, lights, etc. to best match the environment or promote brand strategy
- ✓ Pre-assembled to simplify installation of the entire solution

With Peerless-AV's Xtreme™ Outdoor Portrait Kiosks, content can be updated in no time, creating a seamless digital signage experience.

IP68 RATING

Provides maximum protection to internal components by preventing water, dust, ice, or air from entering the flat panel display

AMBIENT LIGHT SENSORS

Adjusts the high-contrast panel automatically to match current lighting conditions

Model Numbers

WARRANTY: 5 years on metal components, 1 year on electronic components
